Dear Mr Scheffel

Undergraduate Prizes 2002

Can I congratulate you on winning:

- **The G & P Ford Prize for the Best Performance on the BSc Economics & Management Degree Scheme - £400**

This year the prizes will be presented on Wednesday October 16th, in L03 at 5.45 p.m. The presenter will be Sir Peter Phillips, Chairman of Cardiff University Council. After the presentation there will be a wine reception in the Aberconway Refectory.

I do hope that you will be able to attend the prizegiving event on the 16th October and if you would like to invite members of your immediate family to accompany you, we should be pleased to see them. Also if you have some friends from the University who would like to come and support you too, they would be most welcome. Could you please let Miss Julie Roberts know whether or not you will be attending prizegiving. Julie's office is room C09 and her telephone number and email address are shown above.

A programme showing all of the prizes awarded and the names of the prizewinners is published and issued to those attending the prizegiving event. Under the Data Protection Act we cannot make information on your academic performance publicly available without your consent. This technically means that we need your permission to include your name as a prizewinner in the programme. However, as the programme is seen by most students as a celebration of their excellent achievements we will assume that you have no objection to your name appearing unless we are notified to the contrary, in writing, by **Tuesday 1 October 2002**.

When you attend, could you arrive at about 5.15 p.m. so that we can show you to your place before the prizegiving event starts because there will be a special seating plan for you. As the occasion is a relatively formal one, please can you dress accordingly. If there are any queries or questions you have concerning the occasion or the prizes themselves, then feel free to come and talk to either myself or Julie Roberts. My room is C09a on the second floor.

Congratulations again and I look forward to meeting you either at prizegiving or before.

Yours sincerely

PROFESSOR MAURICE PENDLEBURY
